Excellence is to do a common thing in an uncommon way.

(Booker T. Washington)

To accomplish great things, we must not only plan, but also believe.

(Jacques Anatole Thibault)

The greatest danger for most of us is not that our aim is too high and we miss it, but that it is too low and we reach it.

(Michelangelo)

FIELD INFORMATION

1. Refer to the times on the schedule for staging, performance, and the awards.
2. **Note the entry route for buses and support vehicles is Hwy. 55 to Hwy. 32 to left on La Compte.** Entry for private vehicles is on 55 to Hwy 32 to left on La Compte or Washington to enter the school parking lots, after this lot fills up, spectators can park on the streets surrounding the campus.
3. Upon arrival at the high school, a guide will board your bus to stamp hands of your band students, bus drivers, chaperones, and equipment truck drivers. This will be done so that your group can be admitted free for the field competition. Restrooms are available in the stadium right by the bus parking lots. Please instruct your students not to play their instruments in the parking lot, as it is right next to the stadium.
5. Please inform your drivers and staff that we have a “hospitality room” for them in the foyer of the High School Gym. The location is indicated on the map. This room is for band directors, instructional staff and bus. **DO NOT INVITE PARENTS OR STUDENTS INTO THIS AREA.**
6. The first aid station will be located near the practice field under a canopy.
7. There are two designated warm up areas, A and B marked on the map. Your band student guides will be there to escort you to your warm up area and to the stadium for your performance.
8. Please look at the enclosed map for the “flow” for your group. When the preceding band is playing their second to the last musical selection, you will enter the stadium from the south and move near the side #1 end zone. Equipment trailers/ATV will be directed to cross the track and drive on the field. Please instruct your ATV drivers to not spin out or make sharp turns! Drum taps (single taps on the drum head, rim, shell, or stick clicks) may be played by one player to enter the field.
